

Develop a new collaborative mindset.

Culture Connect is launching a new online masterclass

Navigating International Collaborations

In an increasingly complex and fragmented world challenged by the pandemic, climate emergency and technological advances, reimagining cultural collaborations and exchanges seem more important than ever. This half-day masterclass aims to help cultural professionals from around the world to develop a new collaborative mindset to lead successful cross-cultural projects and make the most of their international engagement.

Contact: info@culture-connect.net

Discover...

- How cultural exchange and arts diplomacy can be harnessed today
- How cultural intelligence and deep listening can add meaning to your institution's work
- The pitfalls to avoid and good practice for managing stakeholders
- The mechanics of fostering innovative and sustainable partnerships
- The changes you could make to grow a collaborative mindset

Come away with...

- A toolkit of resources to embed collaboration into your own practice
- A certificate of attendance
- An invitation to join the Culture Connect online community platform gathering professionals willing to unlock the collaborative and international potential of the cultural sector
